TOWN CENTER SERVES
1 MILLIONTH OUT OF TOWN
VISITOR,

The Scotts Valley Daily News

• June 3, 2035 •

- Glenwood Meadow Trails developed for all to walk, run, bike & ride horses.
- Vistas unmatched from any where in the city.
- Wild flowers & natural habitats abound!
- Pack a picnic & enjoy ~~the~~ the great outdoors.
- Take a ^{guided} midnight stroll to view the stars,
listen [^] to the coyotes & frogs.

KEEP THE SWEET SPOT SWEET
WITH SOMETHING FOR EVERYBODY!!

A DAY IN THE LIFE OF A "S.V. IAN"

Coffee on the deck, listening to the birds - off to Auntie Mame's with the family for breakfast - On to the sports fields at Siltaran with the kids for their games dropping Grandpa off at the Senior Center, Grandma at the Performing Arts Center for her rehearsal and the twins at the library. Everyone meets back in the downtown by walking and driving and Dad bikes over too, to enjoy a meal at ~~one~~ one of the restaurants in downtown, and everyone goes off to spend the day ~~at~~ doing their thing - a session at 1440, a massage at a local spa, craft classes at the home decor store, watch the latest ~~movie~~ movie at home thru HBO with friends & neighbors

THE TOWN CENTER DULIP PLAN
(DEVELOPMENT)
IS COMPLETED AND OCCUPIED.

The Scotts Valley Daily News

• June 3, 2035 •

Today Scotts Valley uses 100% renewable energy throughout the city on rooftops, over parking lots, & in windy corners. Car use has dropped dramatically as biking & walking has gained popularity along with frequent shuttles along main routes. People come here & stay here because we have everything we need!
