

# ENVISION Scotts Valley

## Community Visioning Workshop

**Saturday  
June 3rd  
11:00 - 2:00**

**Scotts Valley  
Community Center**  
360 Kings Village Road  
Scotts Valley

## What Can You See?

**What do you like about Scotts Valley? What challenges might we face over the next 25 years and how should we plan for such change? What is your vision of Scotts Valley as a community in the year 2035?**

The City of Scotts Valley is embarking on major effort to define a common vision for our future. The Scotts Valley General Plan is the City policy document that provides guidance for many important issues such as how and where we should grow; improving traffic circulation and safety, mobility options such as bike routes and trails; housing affordability, improving our education facilities; and increasing parks and recreation opportunities.

The existing General Plan was adopted in 1994, 23 years ago. The first step in updating the plan is to hear from you! The Community Visioning Workshop is your opportunity to help lay the foundation for current and future generations in Scotts Valley. It will be an interactive, open house format, where you will have a chance to talk with members of the General Plan Advisory Committee (GPAC) and City staff.

***First 100 participants receive a much coveted  
Scotts Valley General Plan T-shirt!***

### Stay involved!
